

**Message from the President
of the Pond Place Association, Inc.**

1-30-23

Happy New Year All!

Snow Season Continues

The Pond Place Tax District contracts with JH Property Services of Newington to plow, salt and sand our roads as needed. When a snow storm drops 4 inches of snow or more, driveways and parking areas will also be plowed within 8 hours of the conclusion of the storm. Complaints or call backs should be made to Mike Montgomery or Lauren Pizzoferrato at White & Katzman. Their contact information is set forth at the end of this message. Please remember the crews are working throughout the day or night to keep the roads open and then must return to plow driveways. Patience is a virtue.

Collections

At its November meeting the Board voted to adopt the proposed White & Katzman collection policy for delinquent Pond Place Association, Inc. dues. Sad to report, but twelve (12) homeowners are seriously delinquent in their obligations and their cases will be turned over to our collection attorneys, Rosenberg & Rosenberg of Avon, for legal action in the event they fail to immediately bring their accounts substantially up to date. These homeowners will be receiving a final demand letter within the next several weeks. Please understand that White & Katzman has no authority to defer or compromise indebtedness. The Board encourages everyone to catch up to avoid the imposition of attorney's fees and costs.

Board Meetings

The next meetings of the Pond Place Tax District and Pond Place Association, Inc. Boards will be held on February 23, 2023 at 6:30 P.M via Zoom. All owners and residents may attend the meetings and are invited to make comments. Hyperlinks and instructions for participation will be posted on our website www.pondplace.org the day of the meeting. White & Katzman may also send hyperlinks to the Zoom meeting via electronic mail for those who have e-addresses on file. Subject to pending formal Board approval, all meetings will be held on the 4th Thursday of the month except for November which will be held on the 5th Thursday of the month due to Thanksgiving. Meetings will commence at 6:30 PM.

The Board of Northington Meadow, Inc., which holds title to the Stub Pond parcel, and which is composed entirely now of the members of the Pond Place Association, Inc. Board of Governors, will be holding public meetings transacting Stub Pond business and reporting to the community during the regular Pond Place Association, Inc. meetings to provide more openness and inclusion.

Building Guide Revisions

Members of the Boards and the Design Review Committee have been working to update, expand and improve the Pond Place Building Guide. The third meeting dedicated to this purpose was held on November 21st. Sections will be added governing installation and use of Firepits and Standby Electrical Generators among other things. A further meeting will be held to conduct a final review soon after which it is hoped that the redrafted guide will be ready for presentation to the community for comment.

Storm Clean Up

The 12-22-23 and 12-23-24 wind storm dropped four trees for which the community was responsible. Fortunately, none blocked roads and all were cleaned up and removed on 12/26/22.

Hearings on Overdue Maintenance Orders

This past April, White & Katzman managers conducted a very thorough inspection of all 210 homes and exclusive use areas in Pond Place and homeowner who were in apparent violation of Pond Place standards received written directives to come into compliance. Homeowners were invited to request a hearing before the Board to dispute findings or to request extensions of time to correct violations for good cause. Those properties which were first cited in 2021 were given until October 1, 2022 to cure their violations. Those cited in 2022 were given until October 31st to come into compliance. In some instances that was extended to December 31, 2022 due to unavailability of contractors. At this point two properties are already under daily fines for non compliance and all remaining properties out of compliance will be receiving citations to appear at the February 23, 2023 board meeting to present their cases on why fines should not be imposed on them for failure to comply.

Exterior Lighting

Several homeowners have attached security lights or cameras to their dwellings or garages without permission of the Design Review Committee. Some of these are white, a color banned for exterior use in Pond Place. The Board passed a resolution at its May 26, 2022 meeting requiring that all security lights, landscape lights and security cameras, if permitted by the Design Review Committee, be either black, brown, beige or bronze in color.

Northington Meadow, Inc

A special meeting of the Northington Meadow, Inc. Board of Directors was held on January 12, 2023 to review proposals for treatment of Stub Pond against aquatic nuisance weeds and algae. The Board voted 6 in favor with one abstention to engage Life-Lakes, Inc. for a 3 year period. Homeowners and residents will be receiving advance notices of the dates of treatment. Notices will be given primarily by electronic mail. Treatments will occur during the period May-September. Treatment is necessary to control the huge buildup of weeds that has occurred over the past several decades which is accelerating the eutrophication of the pond. All of the herbicides that will be used are approved by the EPA and the Connecticut DEEP, will be applied by licensed applicators and are safe in the quantities that will be used to all fish, amphibians, and water fowl.

New General Counsel Engaged

Attorney Jeffrey McChristian, who had been the general counsel to the Pond Place and Northington Boards for many years, retired effective December 31, 2022. No one in the firm has was last associated with, Ford & Paulekas of Hartford, had any particular expertise in counseling common interest communities. The Board voted unanimously to engage Attorney Gregory McCrackin of the firm of Jacobs, Walker, Rice & Barry which has offices in West Hartford and Manchester. Mr. McCrackin is one of the recognized experts in central Connecticut in representing common interest communities.

New Land Maintenance Rule

Complaints have been received from time to time about Exclusive Use Areas that are not kept up. I suspect we are all familiar with the an EUA where grass is not mowed, or leaves are left around to blow on their neighbor's EUA's after spring or fall clean up period has passed, or no effort appears to have been made to keep shrubs pruned or dead plantings removed or stuff is left all over the place, etc. Homeowners are reminded that the Pond Place Declaration provides in Article VI Section 1 C of the Declaration: **"Dwellings and the Land shall be kept in a neat attractive manner and kept in good repair."** Land refers to Exclusive Use Areas including those which encroach on buffer areas. The Board with one abstention codified this passage as a rule on October 25, 2021 and it will be added to the Rules and Regulations of Pond Place as a reminder that there is an expectation EUAs will be kept in a neat and attractive manner. Homeowners who fail to mow their lawns, weed whack as appropriate or otherwise violate this rule will be cited and fines will be levied for non-compliance starting in June. Again, those seeking additional time or who dispute the findings may appear before the Board. **Owners who have tenants should understand that delegating these maintenance obligations to tenants will not excuse compliance or remission of fines in the event of non-compliance.**

Service Line Maintenance Responsibility

The Board recently requested guidance from the Association's attorney on maintenance and repair responsibility for water, sewer and gas pipes outside of a dwelling unit or other structure. His written opinion of counsel is posted elsewhere on the Pond Place website. I will summarize it as follows: Homeowners are responsible for the maintenance and repair of water and sewer pipes that exclusively serve their dwelling unit. The Pond Place Association, Inc. and Tax District are responsible for those which serve multiple dwellings. CNG currently retains full responsibility for gas pipes that extend from the foundation of dwellings outward. Homeowners are urged to obtain an indorsement to their HO3 or HO5 homeowner's insurance policy for "service line coverage". Most insurance companies offer this endorsement for a small additional annual premium. Outside pipe breaks or ruptures can be very expensive to repair. Do yourself a favor and acquire such a rider or endorsement. The Board has been unable to obtain coverage for all exterior service line pipes in Pond Place but will continue to endeavor to do so.

Please furnish your E-Mail Addresses

In order to cut the cost of, document and speed up communication, Pond Place residents and association members who have not already done so should provide their e-mail address to White & Katzman Property Management. FYI it costs more than \$2.00 to send a postal communication presently. Bills, budgets, meeting notices, violation letters and similar really important messages will continue to also be sent by mail. **Quite a few units still do not have e-mail addresses on file. Let's improve this statistic, please. Most courtesy messages will only be delivered electronically.**

Prohibition on Feeding of Roaming & Feral Animals

The Board enacted a new rule on September 27, 2021 prohibiting the leaving outside of food for feral and roaming animals as follows: "For purposes of health and safety, no member of the Association, members of his or her household, his or her tenants or residents of the Tax District shall leave any food outside the confines of a dwelling unit or in an open garage or shed which may attract or be consumed by bears, coyotes, coydogs, bobcats, skunks, possums, raccoons, roaming dogs or roaming cats. Violations shall be punishable by fine."

FY 2020-2021 Audit Available

The Association and Tax District FY 2020-2021 audits conducted by King & King, CPAs are now available on our website. The FY 2021-2022 audits are in preparation.

Speed Limit

Kindly respect the 20 MPH speed limit on all Pond Place roads for everyone's safety, including pets.

Trash Barrels

There has been improving compliance with our trash and recycling barrel rules. Residents are reminded that trash and recyclable barrels must be kept in the garages or sheds except on the night before (currently Tuesday nights) or the day of (currently Wednesdays) pickup. Those who do not have garages or sheds are expected to place their barrels out of public view. It is not acceptable for those with garages or sheds to store their barrels outside. Please comply and help to keep the community sightly. Except for a handful of residents, the community is in compliance with these rules. Habitual violators will be subject to fines for non compliance.

Those members who opted out in writing last year from community wide trash and recyclables service through Paine's will be treated automatically as continuing their opt out without further action on their part. Members who purchased after 6/30/2021 or previously failed to opt out are NOT eligible to opt out in the future. Those who wish to receive service should contact Mike Montgomery or Lauren Pizzoferrato at White & Katzman, not Paine's.

Design Review Committee

Owners and residents are cautioned that virtually any change to the exterior of a dwelling, garage or shed, including re-staining, requires written prior approval of the Design Review Committee. The Exterior Modification application form is available at www.pondplace.org. Those who have applications pending are advised that the committee has been reviewing and voting on applications electronically to expedite processing. Association members are urged to read the Pond Place Building Guide carefully to assure that they have submitted all necessary information and documentation required. It has been my experience many do not do so which will cause delays in approval. Insurance documentation is only needed if the Committee so requires after their review of the application. Color approvals now require submission of swatches. Most modifications of the exterior of your dwelling, garage or shed require prior approval of the Design Review Committee. You act at your peril if you execute an exterior modification without prior approval. Applications and correspondence should be sent to White & Katzman by uploading through the PILERA platform or by e-mail or snail mail to the attention of our manager, Michael Montgomery.

Residents or owners are welcome to contact me with issues, complaints, concerns or for guidance.

Reminders

Trash & Recyclables pick-up: Paine's picks up trash on Wednesdays weekly and recyclables on Wednesdays bi-weekly on their B-Week schedule with one day delays for certain specified holidays: Memorial Day, 4th of July, Labor Day and Thanksgiving during 2022. The schedule is posted on www.pondplace.org Your barrels need to be on the curb by 6:00 AM on Wednesday mornings and should be returned to their sheds or garages before sunrise the day after. Should new residents or owners wish smaller or larger barrels than those inherited from the prior owner or tenant they should contact White & Katzman, not Paine's. Likewise any requests for special pick-ups or complaints regarding non pick-ups should be routed through White & Katzman.

Persons who have fallen into arrears on their obligations to the Pond Place Association or the Pond Place Tax District are reminded their delinquent amounts will be carrying a high rate of interest. It is in their best interest to get these arrearages paid off.

Unpaid FY 21-22 dues and taxes are now DELINQUENT and will be turned over for collection if not paid by July 31, 2022.

FY 22-23 Dues to the Association will become delinquent if not paid by July 31st, 2022

FY 22-23 Taxes to the Tax District are due in two installments, the first half (like town taxes) on July 1st and the second half on January 1st, 2023. Taxes become delinquent if not paid by the 31st of the month in which they are due and will carry retroactive interest at 1 ½% per month (18% per annum) until paid;

Your land lease payment (if you have not already paid your lease off) is due in the amount of \$50 on the 1st of every month. Those who are not delinquent may prepay an entire year in the amount of \$519.11 and take advantage of a significant savings.

Land Leases in arrears on July 1, 2022 will carry retroactive interest at 3% from the date of delinquency with respect to all delinquent payments from due date. Those more than 6 months delinquent will be referred to the Association's attorneys for legal collection.

Taxes in arrears are currently carrying a rate of 1.5% per month retroactive to the date of delinquencies. Those 6 months or more delinquent will be referred to the Tax District's attorneys for legal collection.

Delinquent Association obligations carry interest at the rate of 12% per annum from date of delinquency. Those more than 6 months delinquent will be referred to the Association's attorneys for legal collection.
